**STEP 1**

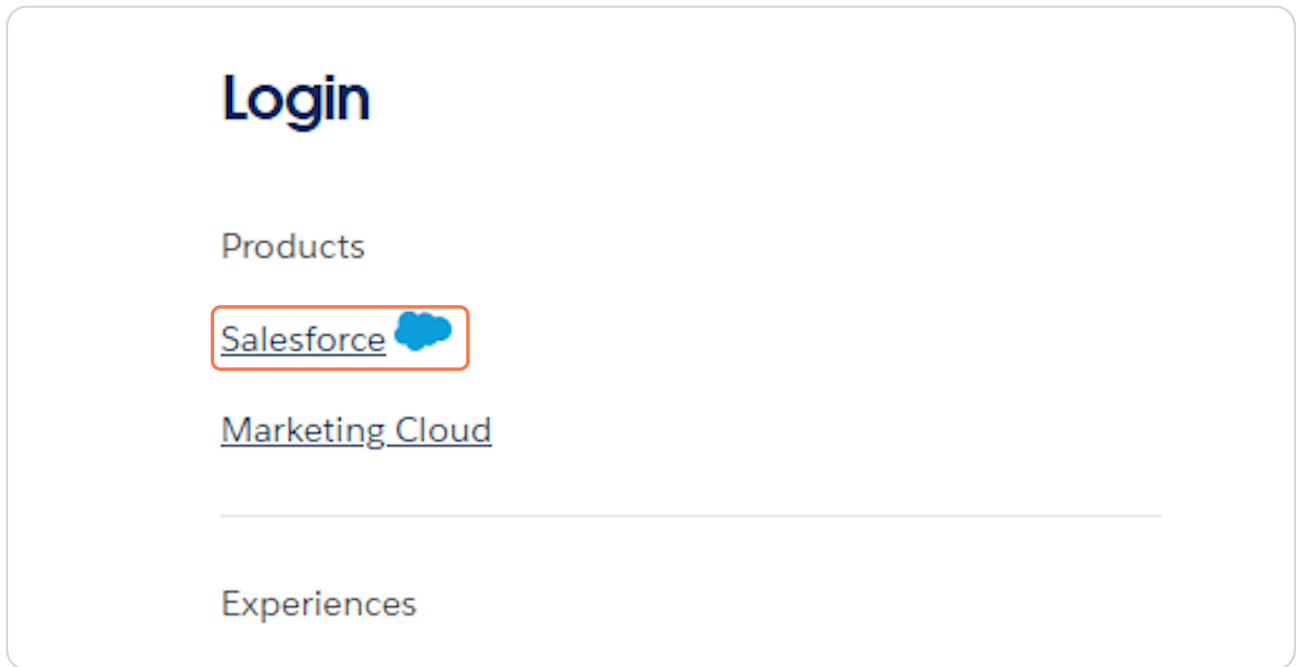

**Go to Salesforce.com**

Log in screen

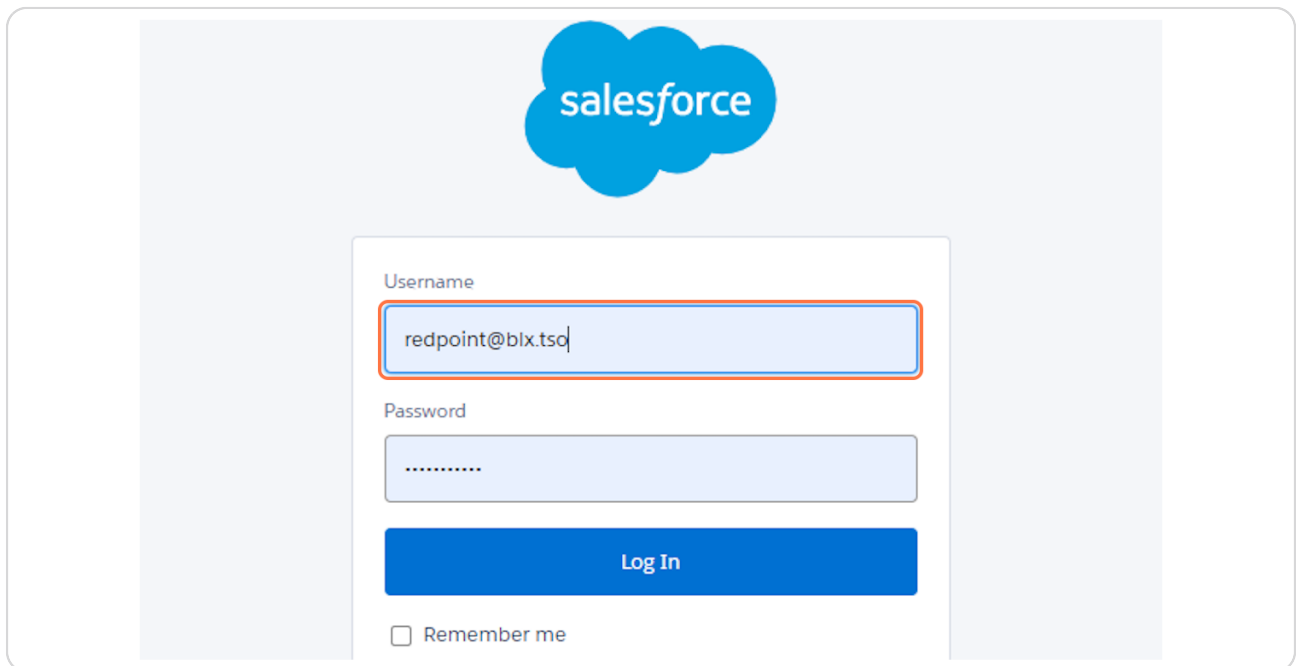

**STEP 2**

**Click on Salesforce**

**STEP 3**

**Type your username (most likely your work email address)**

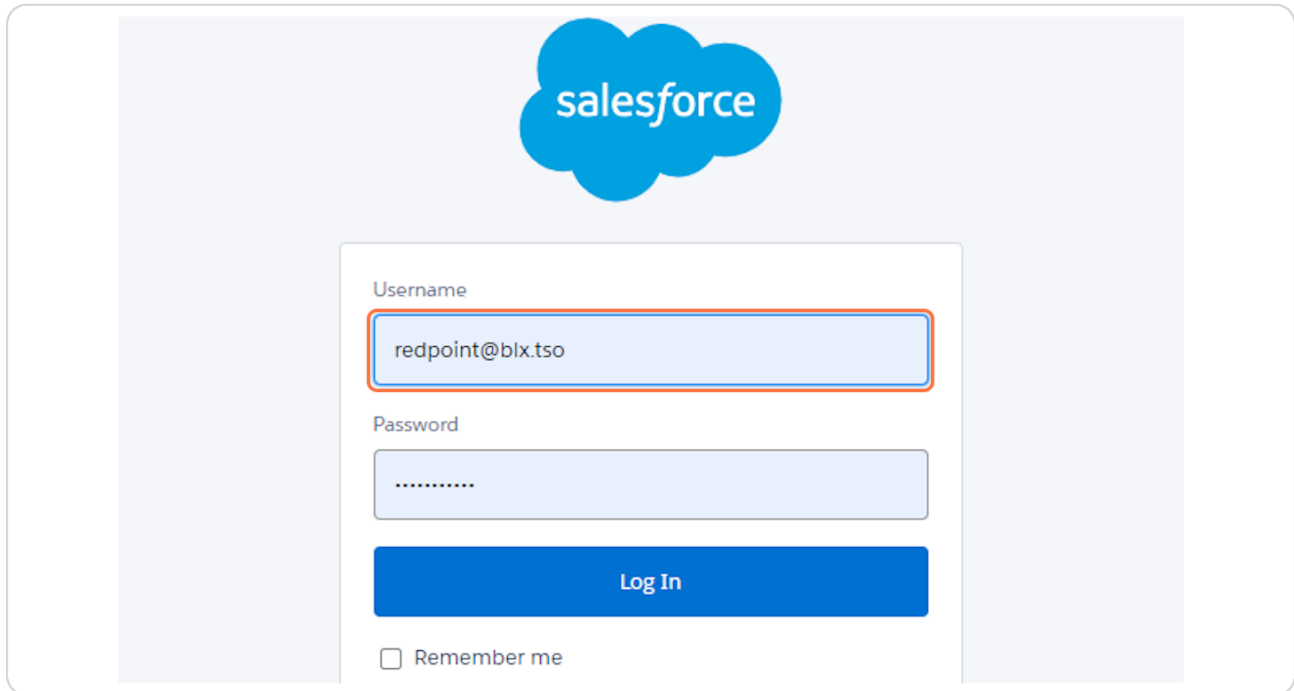

## STEP 4

Type password

## STEP 5

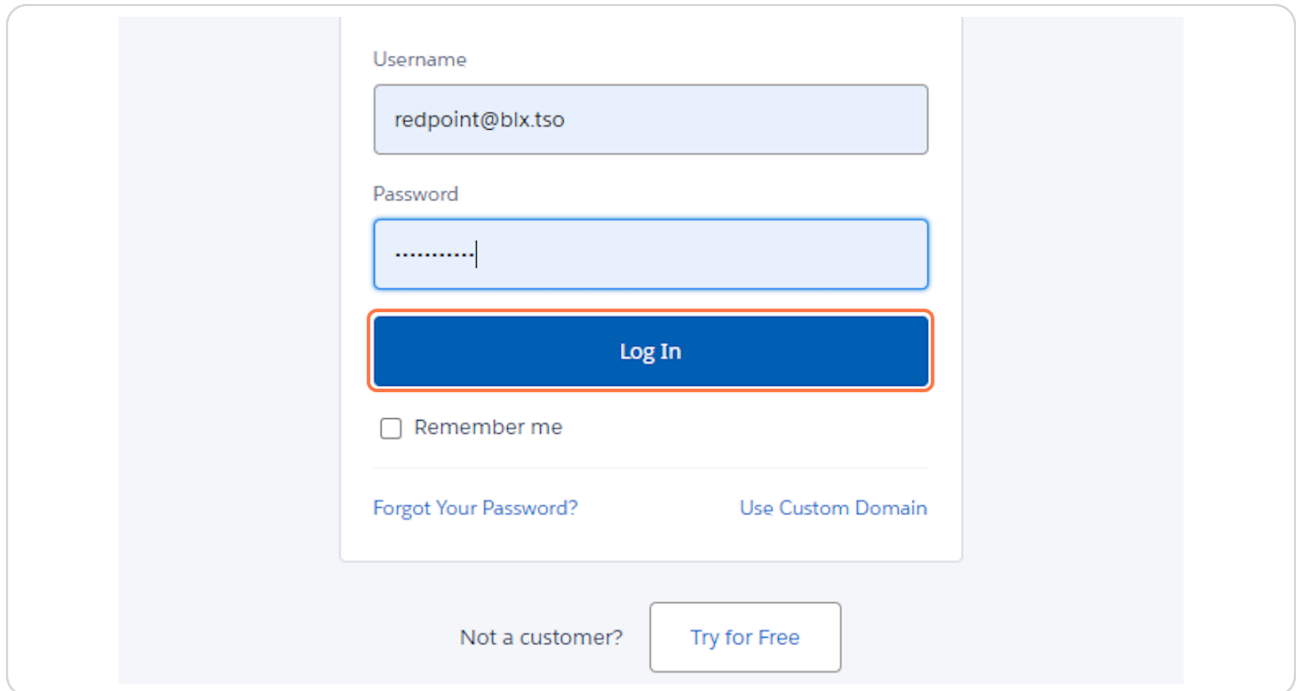

Click on Username

The image shows a Salesforce login interface. At the top center is the Salesforce logo, which consists of a blue cloud shape with the word "salesforce" in white lowercase letters. Below the logo is a white login form with a light gray background. The form contains the following elements: a "Username" label above a text input field containing "redpoint@blx.tso"; a "Password" label above a text input field containing "....."; a blue "Log In" button; and a checkbox labeled "Remember me" which is currently unchecked. The text input fields have a light blue background and a thin gray border. The "Log In" button has a solid blue background and white text.

## STEP 6

### Click on Login

The screenshot shows a login form with the following elements:

- Username:** A text input field containing the email address "redpoint@blx.tso".
- Password:** A password input field with masked characters ".....".
- Log In:** A prominent blue button with white text, which is highlighted with a red rectangular border.
- Remember me:** A checkbox followed by the text "Remember me".
- Forgot Your Password?:** A link located at the bottom left of the form.
- Use Custom Domain:** A link located at the bottom right of the form.
- Not a customer?:** Text located below the form.
- Try for Free:** A button located below the form.

**Salesforce**

1 Step 

STEP 7

You are now in Benelinx
