

Benelinx Project Statement of Work

This Project Statement of Work forms part of the Benelinx Terms of Service made effective as of the Agreement Start Date, between Customer (identified below) and Benelinx, LLC (“**Provider**”). Capitalized terms not defined herein are defined in the Agreement.

1. Key Terms and Milestones

Effective Project Date	[MM/DD/YYYY]
Nature of Professional Services	[To be completed by the Parties]
Fee Structure	[To be completed by the Parties]
Delivery Timelines	[To be completed by the Parties]
Key Milestones	[To be completed by the Parties]
Customer Responsibilities	[To be completed by the Parties]
Termination Notice Period (if applicable)	[To be completed by the Parties]
Refund Terms (if applicable)	[To be completed by the Parties]
Other Provisions (if applicable)	[To be completed by the Parties]

2. Scope of Professional Services.

- (a) Professional Services may include the activities specified in the Nature of Services field above.
- (b) These services are optional and provided at the Customer’s request, subject to the terms of this Addendum.

3. Conditions of Use. Professional Services are exclusively for the Customer’s internal use and may not be sublicensed, shared, or resold without the Provider’s written consent.

4. Fees and Payment Terms.

- (a) Fees for Professional Services will be charged as per the Fee Structure listed above.
- (b) The Provider will issue invoices according to the agreed payment terms, including milestones, if applicable.
- (c) All fees for Professional Services are non-refundable unless otherwise specified in the Refund Terms variable.

5. Delivery Timelines and Milestones

- (a) The Provider will provide the Professional Services according to the Delivery Timelines and Key Milestones variables.
- (b) Delays caused by circumstances beyond the Provider's control, including the Customer's failure to fulfil its obligations, may require timeline adjustments.

6. Customer Responsibilities.

- (a) The Customer agrees to fulfil the obligations as per Customer Responsibilities, including providing necessary access, resources, and approvals to support the Provider's performance in a timely manner.
- (b) Delays caused by the Customer may impact timelines and fees for Professional Services.

IN WITNESS WHEREFOR, the Parties have executed this Project Statement of Work which incorporates the Benelinx Terms of Service effective as of the Effective Project Date listed above.
